Defining Words

As he was leaving, I heard Boss say to him "You handled that thing beautifully!"

"What?" asked later.

“His whore-wife ran away with a moron. Before she came back, he threatened murdering him.”

“Not the best solution.”

“Since papers'd squeeze Republican into every paragraph!”

“You're pretty non-PC with that *whore* word*!*

“Just accurate.”

“Well then. sexist, anyhow.”

“Gross canard! I'm one and so are you.”
